

STONY BROOK WILDLIFE SANCTUARY

Protecting the Nature of Massachusetts

Spring Open House

Stony Brook's Spring Open House, sponsored by a grant from 8 different local Cultural Councils, will provide the members of our community an opportunity to visit the sanctuary, walk the trails and enjoy naturalist-led tours of Stony Brook's incredible wetlands, woodlands and wildlife - all completely free of charge. We are supplementing our own programs offered that day with an additional entertaining and educational live animal show presented by the acclaimed instructors of Animal World Experience. It's a day everyone will enjoy, and it's FREE!

Saturday, May 19th

10:00am—3:00pm

Admission is free to all!
MA Audubon memberships available at half price: \$32 per family
